**TRANSMITTAL OF TRANSLATED SEQUENCE LISTING  
AND COMPUTER-READABLE FORM**

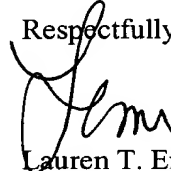

Sir:

Pursuant to 37 CFR §1.821(c), (e) and (f), Applicants are submitting herewith a Sequence Listing and the Sequence Listing in computer-readable form that have been translated in the English language.

A paper copy of the sequence listing, in French, was submitted with the application papers as originally filed. An English translation of the sequence listing is submitted herewith. The information recorded in computer-readable form is identical to the written Sequence Listing recited in the Specification of the above-identified application. The computer-readable form does not include new matter.

A statement on behalf of the Ralph McElroy Translation Company that the English translation of this sequence listing is accurate is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'L. Emr', is positioned above the printed name.
